

Volunteer Camera Operator - Job Overview

We're looking for passionate volunteers to help capture live hockey games as a **Camera Operator**. Your role will be essential in making the game broadcasts professional and engaging, whether for fans at the venue or through live streaming. Work alongside a team to create exciting and dynamic coverage of the game.

Responsibilities:

- **Capture the Action:** Operate a camera to film goals, penalties, and crowd reactions.
- **Follow the Game:** Move the camera fluidly to follow the game's action, switching focus between players, coaches, and fans.
- **Communication:** Stay in sync with the production team and follow the director's instructions for specific shots.
- **Handle Equipment:** Set up, operate, and maintain cameras before, during, and after the event.
- **Adapt and Collaborate:** Adjust to changes in the game and work as part of a team to ensure smooth coverage.

Qualifications:

- **Interest in Sports** (ideal, but not required).
- **Basic Camera Skills** (training will be provided if you're new).
- **Detail-Oriented** and able to keep up with fast-paced moments.
- **Team Player** who can take direction and work well with others.
- **Reliable and Punctual.**
- **Physical Stamina** to hold and operate a camera for extended periods.

Benefits:

- Get hands-on experience in live sports broadcasting.
- Learn camera operation and production skills.
- Work in a high-energy, exciting sports environment.
- Network with professionals in the industry.
- Enjoy complimentary event access and watch the game live!

How to Apply:

Volunteers will be chosen based on availability and eagerness to learn.

This is a great way to break into sports media, gain broadcasting experience, and be part of a community team! Contact us at info@steinbachpistons.ca
