

Music Coordinator - Job Description

Help create an exciting atmosphere at Steinbach Pistons games by managing and playing music during key moments like warm-ups, goals, and intermissions.

Responsibilities

- Operate the arena's music system during home games.
- Choose and play tracks that energize the crowd (warm-ups, goal songs, etc.).
- Follow instructions from the Game Day Coordinator for timing and song choices.
- Ensure music fits the game's flow and is family-friendly.
- Work with the announcer and staff to enhance the fan experience.
- Fix minor music system issues if needed.

Skills & Qualifications

- Love hockey and energizing crowds.
- Know different music genres and how to match the crowd's vibe.
- Basic ability to use music systems or playlists.
- Stay focused and react quickly during games.
- Reliable and available on scheduled game nights.
- Experience with music software or DJing is a bonus but not required.

Why Volunteer?

- Enjoy an exciting game-day atmosphere.
- Gain experience in sports entertainment.
- Free admission while volunteering.
- Meet new people and support your local hockey community.
- Build live event production skills.

How to Apply:

We're looking for eager, enthusiastic volunteers ready to learn and contribute to live sports production.
