

Volunteer 3Play (Replay) Operator - Job Description

Role Overview:

As a Volunteer 3Play Operator, you'll help enhance the live broadcast of hockey games by managing the 3Play replay system. This involves replaying key moments like goals and penalties to provide viewers with instant highlights. You'll work with the production team in a fast-paced, live environment requiring quick decisions and strong communication skills.

Key Responsibilities:

- **Operate 3Play Replay System:** Cue instant replays of key game moments (goals, penalties, hits).
- **Quick Decision-Making:** Watch the game closely and quickly select moments for replay. Coordinate with the director for smooth integration into broadcasts.
- **Timing & Accuracy:** Ensure replays are shown at the right time and in sync with live broadcasts.
- **Team Communication:** Collaborate with the director and control room staff to manage replay timing.

Qualifications Needed:

- **Interest in Sports Broadcasting:** Passion for hockey or live sports is a bonus.
- **Technical Skills:** Familiarity with replay systems (like 3Play) is great but not required—training provided.
- **Attention to Detail:** Spot important game moments and act fast.
- **Adaptability & Teamwork:** Thrive under pressure, follow directions, and work well with others.
- **Communication Skills:** Speak clearly and efficiently, even in stressful situations.
- **Punctuality:** Be on time and ready to assist throughout the event.

Perks of Volunteering:

- Hands-on experience in live sports broadcasting and control room operations.
- Learn about instant replay and cutting-edge broadcast tech.
- Work in a high-energy atmosphere with broadcast professionals.
- Networking opportunities in the sports and media industry.
- Complimentary event access to enjoy the game live!

How to Apply:

Selected volunteers will be chosen based on enthusiasm, eagerness to learn, and availability.

This is a fantastic opportunity to gain valuable experience in live sports media and broadcasting. If you're passionate about hockey, thrive under pressure, and want to be part of an exciting live production team, we'd love to hear from you - contact us at information@steinbachpistons.ca.
